PROFESSIONAL EXPERIENCE

Berlin-Benz Siliziummachinen   London, UK – Remote

Project Manager   November 2020 – March 2021

- Improved the overall software development process by 30% by leading a team of interns, assigning them tasks, checking their daily status, and solving their queries.
- Contributed to redesigning a website from scratch using HTML, CSS, Bootstrap, and JavaScript; strengthened client satisfaction by introducing material colors and design elements.

MHfictio   Warangal, Telangana, India

Graphic Designer Intern   July 2019 – June 2021

- Increased social media engagement and user experience by 20% by designing user-friendly, modern, interactive posters, banners, and unique branded looks.

stuMagz   Warangal, Telangana, India

Graphic Designer – Campus Avenger   January 2016 – December 2018

- Boosted student participation in events by 40% and 2x shares on social media by designing minimalistic and modern posters and banners for the events conducted by the team.

UNIVERSITY PROJECTS

University Application – Android and iOS   April 2021

- Designed and implemented a mobile application in a 4-person team using React Native as part of our final year project.
- Made it possible for students to view their attendance, download notes, view upcoming events, and check the timetable and their parents to verify their child's performance and get the contact details of the faculty.
- Enabled faculty members to mark the attendance and see their daily schedule.

Graphical Password Authentication System   December 2020

- Designed and implemented a Java application in a 4-person team as part of our mini-project.
- Allowed users to use a graphical password (images) instead of an alpha-numeric password that can be prone to attacks.

ACTIVITIES

NEST (Nest for Entrepreneurship and Technology)   Warangal, Telangana, India

Core Member   September 2018 – March 2021

- Improvised student reach by at least 50% using video animations, modern and visually appealing posters.
- Tripled the social media interaction and student participation in events by 15%
- Reached out to student ambassadors of various colleges and boosted the entrepreneurship ecosystem by 10%
